Members must annually complete at least 10 hours of individual service on one or more projects. Members may work in groups; however, each member must submit a separate record of service. Service activities are those done for or on behalf of others not including immediate family members for which no compensation is expected or given. Members are encouraged to return records of service within one week of the termination of the project or activity. Incomplete forms are invalid. Failure to complete the required hours of individual service may result in dismissal from the chapter and the NHS. You may keep a copy for your records.
