

Golf Season Underway

By Tyler Spradlin
Staff Writer

The upcoming golf season is quickly approaching as the cold weather begins to disappear. The first official golf match was set for March 4. The opponent was Bowdon High School and the match was held at the Bowdon Golf Club. Bowdon won the match convincingly, as only two Heard golfers finished with a score under fifty for the nine holes. Senior Matt Barker finished with a team best score of forty-two, while junior J. C. Janney finished with a score of forty-seven.

Head coach D. J. Curbow has high hopes for the boys' team this season. "We would like to have a top four finish in the region with both of our teams, as the boys team has three returning golfers and three newcomers," claims Curbow. "We are hoping to establish depth on the boys' team." When asked how the approaching golf season will be for the boys' team, Barker states, "The boys' golf team is looking to be adequate with returning players such as Wayne Barber, Jacob Hopson, and myself. We also have a few new, upcoming players that should help the team tremendously. These new golfers include junior J.C. Janney, and

freshmen Alex Huddleston and Kevin Tenney."

The girls' golf team has less experience and more new players than the boys' team. "The girls' team is really inexperienced. We only have one returning golfer, Mary Beth Askew, and she is a sophomore," states Curbow. "We finished runner-up in the region last year and the girls made it to state. This year we are hoping to be competitive and to gain some experience." Some of the new faces on the girls' team include freshmen Krystal Barker, Jessica Rosenburg, and Raven McCullough. Also, a new face on the golf course this year will be senior Megan Crockett.
