

Mr. Kay Continued from Pg. 1
Center at Callaway Gardens at Pine Mountain where the winner will be determined.

Now in his third year at Heard County High School, Kay has exemplified quality leadership to this school community throughout the years. He is in charge of all standardized testing at Heard County High School starting from End-of-Course Tests to the Georgia High School Graduation Tests. Kay utilized the Georgia High School Writing Test

(GHSWT) predictor test to help improve scheduling and tutoring for the sophomores. Writing scores soared from a seventy-nine percent passing rate to the highest ever achieved at Heard County High School, a ninety-four percent passing rate. Kay also implemented the "Cram and Slam," which offers one last cram session for the juniors before the graduation tests. Students rotate from different classrooms to be given last bits of helpful instructions to ensure success on the gradu-

ation test. The "Cram and Slam" also resulted in improvement in the passing rate for participants last year.

Kay has been a noteworthy addition to Heard County High School staff and is deservedly rewarded. His optimism and attitude are plainly reflected throughout the school each and every day. Kay stated that it was flattering to be recognized by the GASSP, but

whether he wins or not, "being recognized means that we are doing what's best for the students and teachers at Heard High. Seeing our students and teachers attain goals that they didn't think were possible is the real award at this point!" With exceptional work ethic, in actuality, Kay inspires others to do their best.
